

Harbor editor · overwrite rehearsal

Versions EXPLICIT CHAIN	3	Independent fixtures SAVED REFERENCES	3	Passing fixtures EXPECTED + CONTRACT	2/3	Overwrite warnings DESTINATIONS TO REVIEW	2
----------------------------	---	--	---	---	-----	--	---

Did it run? Did it preserve?

Check operation completion, expected-result agreement and the preservation contract separately.

Fixture	Execution	Expected	Preservation
V1 · custom data and empty containers	APPLIED	PASS	PASS
V1 · existing title must reject	APPLIED	MISMATCH	FAILED
V2 · skip no version	APPLIED	PASS	PASS

V1 · custom data and empty containers

FIXTURE PASSED

1 → 2 / op 1: /metadata/title · overwritten null

ACTUAL / MIGRATION RESULT

```
{
  "version": 3,
  "payload": {
    "metadata": {
      "title": "Harbor map"
    },
    "customFields": {
      "owner": "Aya",
      "workshop": "north"
    },
    "items": [
      {
        "id": "dock",
        "label": "Dock",
        "tags": []
      }
    ],
    "empty": {},
    "presentation": {
      "theme": "paper",
      "zoom": 1
    }
  }
}
```

INDEPENDENT / EXPECTED

```
{
  "kind": "value",
  "value": {
    "version": 3,
    "payload": {
      "metadata": {
        "title": "Harbor map"
      },
      "customFields": {
        "owner": "Aya",
        "workshop": "north"
      },
      "items": [
